Neponsit - This beautiful beach living home, just steps away from the ocean, is on a 74' x 100' lot on one of Neponsit's most desirable beach blocks. The first floor boasts a huge sunlit living room with a wood burning fireplace, a large formal dining room, an eat-in kitchen, a rear family room and two half bathrooms. The second floor boasts four bedrooms including a master bedroom with a full bath and ocean facing sun deck, three additional bedrooms, one full bathroom, one half bathroom and a rear sun porch. Additional finished living space includes a 3rd floor room with a walk-in closet, built-in seating, a desk area and storage space as well as a full, finished basement with large rec room, laundry room, storage room and shower cabana. The sunny rear yard has room to add a pool and the long private driveway with detached 2 car garage provides parking for 6 cars. Additional amenities include a beautiful large covered front porch with ocean views, central air, alarm system, hardwood wood floors and a new gas heating system. Perfect for Beach Entertaining and close to all of Neponsit's great amenities.
